Protecting a Dream shares the inspiring life of Chief William “Bill” Logan Jr. - a community hero, barrier-breaker, and the man who helped safeguard Dr. Martin Luther King Jr. during a pivotal moment in Evanston’s history. Told with warmth and clarity, his son, Dr. Gilo Kwesi Logan, the story invites readers into a world where courage, fairness, and love guide everyday choices.

At a time when many children are navigating questions of identity, belonging, hope, and resilience, Protecting a Dream offers healing through truth-telling and purpose. The book supports social-emotional learning and leadership development while opening meaningful conversations about character, responsibility, and healthy masculinity - helping young people understand who they are, what they value, and who they can become.

Through rich illustrations, engaging storytelling, and accessible history, readers follow Chief Logan’s journey from humble beginnings to standing beside Dr. King, becoming Evanston’s first Black Police Chief, and helping build community organizations that continue to serve families today.
